ANÁLISIS ARTÍSTICO

See *Miracle of Saint Anthony of Padua*.

On the right-hand side of the window in the lunette located on the gospel side of the chapel a female angel endeavours with both arms to lift a heavy curtain that falls over her head. In keeping with the other angels in the Chapel of San Antonio de la Florida, she is dressed in a beautiful empire-line dress, in this case decorated with an elegant pink-coloured girdle.

This angel has a smaller, more petite figure approaching that of a young girl.
